1. Purpose and scope

This sample leave policy explains leave categories and the request process for hypothetical AKKI LATEST COLLECTIONS employees. It applies to full-time store, warehouse, office and support employees for demonstration purposes.

2. Leave categories

Casual leave (CL)	12 days per calendar year. Intended for personal needs and short-notice situations.
Sick leave (SL)	6 days per calendar year. Intended for illness or medical recovery.
Earned leave (EL)	12 days per completed year of service, credited monthly after the applicable eligibility period.
Public holidays	The company will publish an annual holiday list for each work location.

3. Applying for leave

Employees should submit leave requests to their reporting manager through the designated attendance or HR process.

For planned leave, employees should normally apply at least 3 working days in advance. Approval depends on staffing requirements and business operations.

For unexpected sickness or emergencies, employees should inform their manager as soon as reasonably possible, preferably before the scheduled shift begins.

4. Approval and records

Leave is not considered approved until the manager or authorized HR representative confirms approval. Employees should check approved dates before making travel arrangements.

Managers should forward approved leave information to HR so attendance and leave balances can be updated.

5. Carry-forward and encashment

For this demonstration policy, unused earned leave may be carried forward up to 30 days. Casual leave and sick leave do not carry forward.

Leave encashment is not defined in this demo policy. Employees should contact HR for the approved rule.

6. Questions and exceptions

Questions about leave balances, corrections or exceptional circumstances should be raised with HR. Applicable law and the final approved company policy take precedence over this sample.
